About

I am a computer science student at KL University, Bachupally, interested in programming, cybersecurity, and technology.I am currently developing my programming skills in Java and strengthening my understanding of problem-solving, object-oriented programming, and software development. I enjoy

exploring how technology works and how digital systems can be made more secure.Through academic projects and collaborative activities, I aim to improve my technical knowledge, communication, teamwork, and analytical thinking.My long-term goal is to build a career in cybersecurity while continuing to learn about emerging technologies and global affairs.I am open to connecting with fellow students, developers, cybersecurity enthusiasts, and professionals who share similar interests.
